

SLJID Reviewers 2011– 2019

The Sri Lankan Journal of Infectious Diseases would like to thank all our reviewers who have willingly offered their time, energy and expertise to evaluate and provide constructive and helpful reviews of manuscripts received by the Journal. Without your unstinting cooperation, it would have been very difficult to publish the Journal since its inception in 2011. We look forward to your continuing support of the Journal.

Abeygunasekera Nalaka	Gamage Chandika	Magana-Arachchi Dhammika	Siriwardana Yamuna
Abeywardena Madhumanee	Goonesekera Chula	Malavige Gathsaurie	Sriyani Ekanayake
